MEMORANDUM FOR: Project Director

ATTENTION: Mr. James Q. Reber

THROUGH: Deputy Director/Intelligence (Attn: )

SUBJECT: Request for Project Clearance: Brig. General Alfred D. Starbird

25X1A

1. It is requested that Project AQUATONE and TALENT clearances be established for Brig. General Alfred D. Starbird, USA, Director of Military Applications, Atomic Energy Commission.

2. As Director of Military Applications for AEC, Gen. Starbird should be apprised of all possible developments in the Soviet Atomic Energy Program. For this reason, the ACSI/USA has indicated that Gen. Starbird should receive a Project AQUATONE clearance. It is contemplated that Gen. Starbird will be invited to participate in the proposed ad hoc consultants panel to review

25X1D

3. Gen. Starbird has been granted "Q" and Special Intelligence clearances.
